 - At the end of each year, we have a "Senior Sendoff" for our graduating seniors. In past years this event has included a speaker and some refreshments. However, most seniors seem to only be interested in getting their cords at this event. I am trying to make this event better for the seniors, so please go back to your chapters and ask your seniors what they would like to see at this event and what would make them go. We'll have a discussion at the next delegate meeting about what you found out. Thank you!
