- c. *Decorations.* Signs with PNM names on them, balloon arches, most of the decorations will be at the chapter. Chapters decorated in the chapter's preferences.

Section 6. Membership Selection

See NPC Guidelines and Unanimous Agreements in regard to Delayed Fully Structured Recruitment Member Selection.

A. Membership Recruitment Acceptance Binding Agreement (MRABA)

- a. After the last preference event, each PNM must sign an MRABA form indicating which chapter, in order of her preference, she is willing to accept an invitation to membership. Each PNM may list up to two preferences. All potential new members must sign an MRABA before submitting their final selections. (See NPC Unanimous Agreement on MRABA details.)

B. Quota, Snap Bidding, and COB

- a. Quota is the number of PNMs that each chapter is allowed to take regardless of a chapter's total membership number. Every chapter is entitled to bid the same quota number. Quota is determined by the NPC Release Figure Method (RFM) after Preference Night MRABAs are received. Snap bidding is the process by which only those chapters not meeting quota during the bid matching process are given the opportunity to offer invitations to any PNM who participated in the formal recruitment process. Chapters may snap bid only to fill quota. A secondary quota will be utilized for upperclassmen participating in the formal recruitment process.
- b. Any chapter not at quota or total shall be permitted to continue to offer bids to any full-time matriculated OSU student through Continuous Open Bidding (COB). COB shall continue throughout the academic year, except during formal recruitment or designated chapter colonization or reorganization recruitment periods.

Section 7. Finances

A. Chapter Budgets

- a. **Recruitment Expenses.** The Panhellenic recruitment budget for each chapter shall not exceed \$2,000 including rentals and excluding donations and ramps. Budgets may only be exceeded with the approval of the Panhellenic Council.
- b. The Panhellenic recruitment budget is defined as the money spent solely on all Primary recruitment events beginning with the first event of Round One through the last event on Preference Night. Bid Day is not included in the recruitment budget. This budget does not reflect expenses on pre-owned items, or items that will be used by chapter members and facilities year-round. Any costs used to produce any philanthropy day videos, and accommodations necessary to make the event and chapter structure accessible to all potential new members will not be required to be reported in the total.
- c. Rentals are defined as the money spent on items needed explicitly for recruitment. This includes and is limited to the renting of tables, chairs, linens, heat lamps, and simple lighting.
- d. Donated goods and services must be appraised and included in the chapter's final expense report form.

Section 8. Recruitment Infractions

All recruitment infractions will be handled according to procedures outlined in the NPC Manual of Information and Unanimous Agreements.

Section 9. Total

- A. **Determining Total (PHC Policy).** To allow chapters to achieve parity as quickly as possible, total will be evaluated every regular academic term. Total will be automatically adjusted no later than 72 hours following bid distribution in the academic term that primary recruitment is held and total will be evaluated within one week (no more than seven days) from the start of the other academic terms.
 - a. Total shall be determined by median or average chapter size, whichever is larger.
 - i. If total is reset during a term in which primary recruitment did not occur, it cannot be set to less than 95% of the total that resulted from the automatic adjustment in the most recent academic term in which primary recruitment was held.
 - b. In the case that the Panhellenic community is in contraction, as determined by the Panhellenic Council and Fraternity/Sorority Advisor (FSA), total shall be set as the largest chapter size plus 5-10%.
- B. **Calculating Total (PHC Policy).** Total is the allowable chapter size as determined by the College Panhellenic and includes both new members and initiated members. Any member who is away from campus for the entire academic year is not counted in total. Members away for one academic term are counted in total.
- C. **Transfer Members (PHC Policy).** If a chapter is a total and wishes to affiliate a transfer member, it may do so even though the addition of that member will put the chapter over

total.

- Respectfully adhere to the bylaws and recruitment rules of the Oregon State University Panhellenic Council.
- Abide by all local and federal laws and NPC inter/national member group bylaws.

represent not only individual chapters but also the Panhellenic community as a whole.

Article IV. Social Policy

Oregon State University Fraternity & Sorority Life Joint Council Social Event and Risk Management Policy

Overview

The philosophy of these policies is to reduce risks involved with social activities within social fraternities/sororities and define regulations set forth by the fraternity/sorority governing councils. The policies should be used to plan an event along with individual Chapter and inter/national policies and procedures, be in compliance with Oregon State University's (OSU) Code of Student Conduct, and follow any Federal, State, and Local laws. If there is ever a conflict between policies, the more restrictive policy should be followed.

Event Definition

Any activity or event sponsored or endorsed by the organization, including those that occur on or off property owned or controlled by the chapter.

Reporting Process

It is best to set a date for an event as far in advance as possible to allow for ample time for planning and organizing the event details. Chapter members are responsible for being knowledgeable of the rules and definitions for each type of social event, as state in each council's respective bylaws.

Social Event Reporting Forms are due by 11:59pm on the Tuesday prior to the organization's event via a form provided by the respective governing council. The link(s) for these Reporting Forms can be found on the individual council websites.

- A. Late Reports: Events reported after the deadline will be evaluated by the officer responsible for reviewing report submissions. Chapters are eligible to receive one written warning per term for late reported events, before the Judicial Process would begin as outlined in the respective council bylaws.
- B. Failure to Report: Failure to report will result in all involved parties being automatically referred to the respective council's Judicial Process.
